See below for details.

Accepted to Harvard - Congratulations to Ryan Jiang!

Ryan Jiang was accepted to Harvard early action.

According to Harvard gazette - Interest in early decision is on the rise. The number of students applying to the College's Early Action program has grown in each of the past five years. This year's Early Action applications totaled 6,173, compared with 5,918 last year and 4,228 five years ago. But the number of students whom Harvard has admitted early dropped again, for the third year in a row. This year's early admissions of 918 compare with 977 last year and 992 the year before.

New fun games created by Apex 5th grade programmers using Scratch!

Visit our [GameZone](#) and play the new maze and other fun games. We are adding new games developed by programmers in both our ongoing Scratch and Python programming classes. [So come visit often.](#)
